Dear folks at RidgeAire, especially Brian and Chip,

Thank you all for the efficient and exciting experience with our recent purchase of King Air N56CD. While the Phase Inspections were being accomplished prior to the sale, Chip and Brian performed outstandingly by keeping us abreast of the situation at all times, and pushing the maintenance facility as much as possible. In the end, the aircraft was delivered with all of the squawks rectified above and beyond what was expected.

It was a pleasure flying with Brian at the closing of the sale. His King Air experience and knowledge was instrumental in showing me the ropes of 56CD.

Overall, this purchase was a great experience, and I highly recommend RidgeAire to anyone looking to buy an aircraft. We will be back when it comes time to upgrade!

Best Regards,
