### End of List

In conformity with Article 22(3) of the Cape Town Convention "international interest" in this certificate denotes an interest which the creditor has acquired or intends to acquire and is not intended to indicate whether what is registered is an international interest or a prospective international interest. Similarly, with reference to Article 19(4) and 19(5) of the Cape Town Convention, "assignment" is not intended to indicate whether what is registered is an assignment or a prospective assignment, and, in conformity with Article III of the Aircraft Protocol, "sale" is not intended to indicate whether what is registered is a sale or a prospective sale.

The International Registry system is designed to use percentages with a maximum of six decimal places when recording fractional and partial interests in aircraft objects e.g. 12.123456%. Please consider that certain fractions cannot be fully represented within six decimal places. Percentages shown are of the full aircraft object.

\*The International Registry was notified that this entity had a change of name within the meaning set out in the Regulations and Procedures for the International Registry.

## Supplementary Priority Search Information

This information table contains supplementary priority search information provided pursuant to Section 7.8 of the Regulations for the International Registry. Supplementary priority search information is provided for information purposes only to assist users in reviewing the registered information contained in the priority search certificate. **Users must review all registered information contained in the priority search certificate and not just the information contained in the supplementary priority search information.** In the case of inconsistency between the registered information contained in the priority search certificate and the supplementary priority search information, the registered information contained in the priority search certificate shall prevail. Any such inconsistency and any inaccuracy discovered should be reported to the Registrar within 72 hours of receipt of the priority search certificate by the user.
